**Subject:** PPT FROM AUGUST SANTA MONICA BAY NEP GOVERNING BOARD MEETING  
EPA CCMP revision overview August 2017 Final.pptx

Hi Luisa and Suzanne,

FYI, here's the PowerPoint presentation Sam and I put together for the Santa Monica Bay NEP governing board meeting last week to give an overview of the NEP program and EPA's role in the CCMP revision process. There were a couple of good questions about the differences in size and funding for each of the three NEPs in Region IX and what other NEPs might have a similar structure to Santa Monica Bay.

Thank you both for answering questions when I starting drafting the ppt.

Erica
